WAYS YOU CAN SUPPORT OUR PLAY STRUCTURE PROJECT!

KLEEFELD SCHOOL'S Talent Show

Our Kids have been preparing and practicing for this event. Come and support them as they perform their best stuff. The show is happening this Thursday, April 6 @ 7:00 Admission is free with donations being accepted at the door, with all proceeds going to the Play Structure Project.

DO YOU LIKE PIE?

We have recruited our best bakers to create some amazing pies for us. These special pies will be auctioned off @ our **PIE AUCTION** which will be held at the intermission of the **TALENT SHOW**. Bring your cheque books and get yourself the best pie in the southeast.

Bake Sale

It has become a bit of a tradition to have a bake sale at the Gr. 4-6

Musical. How nice is it to be able to sit back and enjoy the show with some sweet treats to enjoy! Our PAC will be sending a note requesting donations of baked goods the week of April 10.

Shave It or Save It?

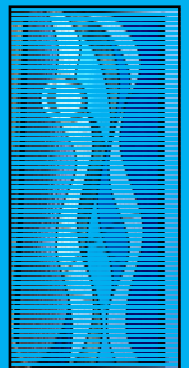

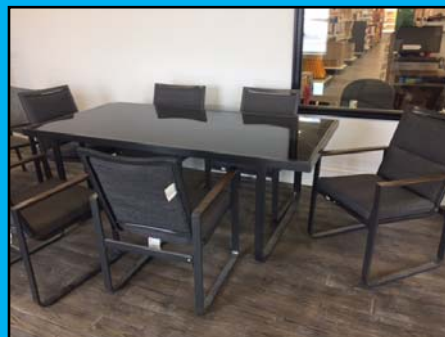

Vote with your loose change. There will be two bins in the office—one to save it, the other to shave it. Drop your loose change into the bin of your choice.

HSD Parent / Child Community Program

The Hanover Parent and Child Community Program invites Kleefeld parents and their preschool children (1 to 4 years) to attend this free preschool program. In the program, parents can connect with other parents, learn new skills and participate in activities with their children. Snacks are provided. Families can attend regularly or just drop in.

Tuesdays 9:30-11:30 AM

Thursdays 9:30-11:30 AM

The Preschool meets in the west hut behind Kleefeld School. TO PARK—please drive through the staff parking lot and park on the north end of the lot.

Children should bring indoor footwear.

Grade 8 Science Fair

For the past five weeks, our Gr. 8 students along with their teacher, Ms. Strutt, have been developing scientific questions, 'forming hypotheses', designing ways to test them and recording their findings. The students will be prepared to share their findings with you the **afternoon of**

Wednesday, April 12th. All the projects will be on display in the gym throughout the afternoon. If you are able, please stop by.

SENSITIVE ISSUES FOR GR. 5 AND 7 STUDENTS

Each year, as part of the Health Ed. curriculum, Gr. 5 and Gr. 7 students are taught family life education called Sensitive Issues. The Province of Manitoba requires that human growth development be taught as part of the Physical Ed./Health Ed. curriculum. These topics include human development, drug use and abuse, and how to avoid abusive situations and relationships. Your Gr. 5 and/or 7 student(s) will soon be bringing home consent forms for participation. If you would like to preview the materials, and/or have any questions about the curriculum, please contact Y. Schroeder or J. Bergen.
